Rates and Charges Renewal Presentation

Ryan presented the proposal, which closely resembles the system that was approved previously. The system provides funding for significant natural resource work that is needed within Chelan County, with a focus on forest health and water quality. The resolution requests that the Chelan County Commissioners set a rate of \$4.63 per parcel for all land use codes within the conservation district boundary, except designated commercial forest land. The commercial forest land rate would be \$3.00 per landowner. If approved by the Commissioners, implementation would begin in January 2022 and continue for a period of 10 years.

The Board members had a brief discussion before putting Resolution 2021-10, System of Rates and Charges, to the vote.

M/S/C Kurt moved and Amy seconded to approve Resolution 2021-10, System of Rates and Charges.
(Unanimous)

The next step is to meet with the Chelan County Commissioners and present the Rates and Charges funding request.

The meeting adjourned at 2:19 p.m.

Summary of Official Actions:

Approved Resolution 2021-10, System of Rates and Charges.
