

LANDOWNER ASSISTANCE PROGRAMS

HERE TO HELP YOU

TECHNICAL ASSISTANCE

With archaeologists, educators, foresters, farm planners, and resource specialists on staff, Cascadia is full of knowledge to help you implement projects.

FINANCIAL ASSISTANCE

Funding is provided largely through cost-share for new programs. These funding budgets include materials, labor, equipment rentals, and other costs.

ELIGIBILITY

Private landowners within Chelan County are eligible and encouraged to inquire. Please note, cost-share can only be used on new projects.

ABOUT US

Cascadia Conservation District is a non-regulatory, grant-funded organization dedicated to encouraging the wise stewardship of all natural resources in Chelan County.
